request has been sent to the Director, USACRC, and provided the mailing address for the USACRC. When forwarding FOIA requests, the outside of the envelope will be clearly marked "FOIA REQUEST."

- (5) A partial release of information by an installation FOIA Office is permissible when it is acceptable to the requester. (An example would be the redaction of a third party's social security number, home address, and telephone number, as permitted by law). If the requester agrees to the redaction of exempt information, such cases do not constitute a denial. If the requester insists on the entire report, a copy of the report and the request for release will be forwarded to the Director, USACRC. There is no requirement to coordinate such referrals at the installation level. The request will simply be forwarded to the Director, United States Army Crime Records Center (USACRC) for action.
- (6) Requests for military police records that have been forwarded to USACRC and are no longer on file at the installation PMO/DES will be forwarded to the Director, USACRC for processing.
- (7) Requests concerning USACIDC reports of investigation or USACIDC files will be referred to the Director, USACRC. In each instance, the requestor will be informed of the referral and provided the Director, USACRC address.
- (8) Requests concerning records that are under the supervision of an Army activity, or other DoD agency, will be referred to the appropriate agency for response.

#### § 635.11 Release of information under the Privacy Act of 1974.

- (a) Military police records may be released according to provisions of the Privacy Act of 1974, 5 U.S.C. 552a, as implemented by 32 CFR part 310, DoD Privacy Program, 32 CFR part 505, The Army Privacy Program, and this part.
- (b) The release and denial authorities for all Privacy Act cases concerning military police records are provided in §635.9.
- (c) Privacy Act requests for access to a record, when the requester is the sub-

ject of that record, will be processed as prescribed in 32 CFR part 505.

#### §635.12 Amendment of records.

- (a) Policy. An amendment of records is appropriate when such records are established as being inaccurate, irrelevant, untimely, or incomplete. Amendment procedures are not intended to permit challenging an event that actually occurred. Requests to amend reports will be granted only if the individual submits new, relevant and material facts that are determined to warrant their inclusion in or revision of the police report. The burden of proof is on the individual to substantiate the request. Requests to delete a person's name from the title block will be granted only if it is determined that there is not probable cause to believe that the individual committed the offense for which he or she is listed as a subject. It is emphasized that the decision to list a person's name in the title block of a police report is an investigative determination that is independent of whether or not subsequent judicial, non-judicial or administrative action is taken against the individual.
- (b) In compliance with DoD policy, an individual will still remain entered in the Defense Clearance Investigations Index (DCII) to track all reports of investigation.

USACRC forwards this data to the Criminal Justice Information Services (CJIS) division of the FBI for inclusion in the

Next Generation Identification Database. This paragraph does not eliminate other requirements to provide criminal history data, including those concerning the DIBRS.

- (b) Installation PM/DES will submit offender criminal history data to USACRC, based on a probable cause standard determined in conjunction with the servicing SJA or legal advisor for all civilians investigated for offenses equivalent to those listed in DoDI 5505.11. This includes foreign nationals, persons serving with or accompanying an armed force in the field in time of declared war or contingency operations, and persons subject to Public Law 106-523 in accordance with DoDI 5525.11 (Available at http:// www.dtic.mil/whs/directives/corres/pdf/ 552511p.pdf), Criminal Jurisdiction Over Civilians Employed By or Accompanying the Armed Forces Outside the United States, Certain Service Members, and Former Service Members.
